Hi Liang Xing,

## Your document information is out of date

We noticed that the document you provided for identity verification has recently expired. To comply with regulatory requirements we're required to keep our customer records up to date.

Please click the button below to resubmit your updated document for verification:

## Update My Document Now

If you have any questions, our support team is here to help — reach out to us [here](#).

Thanks,  
The MoonPay Team
